Instructions to doctor/hospital

This is to certify that the holder of this card is insured as shown on the reverse for reasonable and customary expenses in connection with acute illness or injury and/or repatriation. Serious accident/acute illness, death or repatriation must be reported immediately to our 24 hour emergency service. If requested, Storebrand Forsikring AS or SOS International will guarantee or advance payment. Otherwise payment will be made upon receipt of bills. Make reference to Policy No. and cardholders name.

Please confirm cardholders identity
